

PERFECTLY POSH AUTOSHIP TERMS AND CONDITIONS

PERFECTLY
POSH.

By checking “Yes” and agreeing to the accompanying terms on the perfectlyposh.com checkout page, you agree to accept these terms and conditions for the Autoship subscription ordering program (“Autoship”). The terms and conditions constitute the entire agreement between you and Perfectly Posh, LLC relating to the Autoship program. Please note that your use of the perfectlyposh.com website and Consultant replicated websites is governed by our Terms of Use and Privacy Policy, as well as all other applicable terms, conditions, limitations, and requirements on the perfectlyposh.com and Consultant replicated websites, all of which (as changed over time) are incorporated into these terms and conditions. By placing an order and enrolling in the Autoship program, you accept these terms, conditions, limitations, and requirements.

When you purchase product(s) on perfectlyposh.com and Consultant replicated websites and enroll in our Autoship program, you are signing up for continuous shipments of such products and may select how often you would like your product(s) delivered to you. You may change your delivery date at any time, as well as your shipping address, payment method, and products included in the program. Additionally, when you purchase certain products designated as “Autoship” eligible, and enroll in the Autoship program for such products, you will save 5% on all orders following your first Autoship order, meaning your first order is exempt for Autoship savings, but orders following your first order will save 5% or receive a B5G1 discount, should said order qualify with six products. Autoship eligible products are eligible for Buy 5, Get 1 FREE and they will earn corresponding Perks amounts. Your Autoship will receive a 5% discount or B5G1 discount, not both. Autoship products are not eligible for purchase with Perks or as Host-Half Off gifts. If you are participating in the Autoship program and one of the products in your Autoship subscription goes on promotion, the temporary promotional price of said item will be factored into your Autoship discount; once you have enrolled in the Autoship program, you will receive the 5% discount or B5G1 discount depending on how many products you have in your Autoship order. You cannot combine your Autoship order with other promotions.

Perfectly Posh reserves the right to change Autoship benefits at any time at its sole discretion, including discount amounts and eligibility used to determine discount amounts. Prices will go up or down for products depending on promotional pricing and your order will be updated accordingly to the price of the product at the time of your order. Some of the offer details may change as you receive deliveries over time, for example: price, taxes, availability, and/or shipping charges. Subscriptions are good while supplies last.

When you place your initial order for a product or products and enroll in the Autoship program, you will receive a notice that your Autoship subscription has been created and your first order will be processed. Your first order will be processed immediately, and your selected payment method will be charged at the time the order is placed. **Your Autoship subscription will thereafter automatically create a new order according to your chosen delivery schedule, until you cancel.**

For subsequent orders of products included in Autoship, up to one week prior to the ship date selected by you, you will receive a pre-shipment email notification reminding you of your upcoming shipment, the period available to make changes to your order and the scheduled ship date.

When you sign up for continuous shipments on Autoship, you will be required to expressly agree to permit us to charge your chosen payment method on a recurring basis, as well as the amount of the charge, which amount shall be set as described below. You must have a card on file in order to participate in Autoship. Perfectly Posh will submit periodic charges (e.g. monthly) to your chosen payment method without further authorization from you, until you provide prior notice at any time that you wish to cancel or to change your payment method.

The amount you are ultimately charged for a product or products delivered pursuant to the Autoship program will be the price of that item as stated in the pre-shipment email notification you receive. Once your order has been placed, your chosen credit card

or other payment method will be billed this amount. The total cost charged to your payment method for each Autoship order will be the price of the item, less the Autoship discount or Buy 5, Get 1 FREE, plus any applicable shipping charges and sales tax.

The charge for each Autoship item shipment will be billed to the payment method used to create your subscription or as otherwise directed by you. If we are unable to complete your Autoship order with the payment method you used to create your subscription, we will notify you and give you the opportunity to add another payment method in your account and to charge the payment method for your Autoship order. Your subscription will remain in effect until it is cancelled. You can cancel at any time.

We may, at our sole discretion, change these terms and conditions, (including all applicable terms, conditions, limitations, and requirements on the perfectlyposh.com and replicated Consultant websites), without notice

to you. If any change to these terms is found invalid, void, or for any reason unenforceable, that change is severable and does not affect the validity and enforceability or any remaining changes or conditions. YOUR CONTINUED PARTICIPATION AFTER WE CHANGE THESE TERMS CONSTITUTES YOUR ACCEPTANCE OF THE CHANGES. IF YOU DO NOT AGREE TO ANY CHANGES, YOU MUST CANCEL YOUR AUTOSHIP SUBSCRIPTION.

We may, in our sole discretion, terminate your Autoship subscription at any time without notice. If we do so, you will only be charged for orders that have been shipped to you. Your participation in the Autoship program is personal to you, and you may not assign or transfer your Subscription or any of the benefits to any third party without our authorization. All returns under Autoship are subject to the Perfectly Posh Return Policy. Autoship subscriptions are void where prohibited.
